### **1. Organisation & Administration**

- i The NY Junior Competition Subgroup will organise and manage the North Yorkshire Junior League (NYJL).
- ii. The decisions of the NYJL Sub Group or its nominee(s), in respect of these rules and regulations and on any other matter related to the game which is not provided for below, shall be considered final and binding on all parties (subject to the right of appeal which is specifically provided for under Disciplinary Regulations).
- iii. It is the responsibility of all Club and Team managers/ coaches and other Officials involved with the League to ensure that they are familiar with the Competition's Regulations and the England Netball Code of Conduct.
- iv. All games in the NYJL will be played in accordance with the current Rules of England Netball.
- v. The matches in the NYJL will be played at indoor venues on Sunday afternoons.
- vi. The NY Junior League will be for Club teams at Under-12; Under-14 and Under-16 team level.

### **2. Playing Qualifications & Eligibility**

- i. Application for entry to the NYJL shall be open to any club or team within the North Yorkshire boundary which has Membership to England Netball, and has paid its subscription in this respect. However, only teams from Clubs who have CAPS accreditation (or are actively processing an application) will be eligible to represent the NY County in the Regional Junior Leagues. Qualification for a place in the Regional League is only via the NYJL.
- ii. Only female players are allowed to participate.
- iii. The entry fee for the NYJL will be determined by the NYJL Subgroup. *For 2019-20 season, there is NO entry Fee.*
- iv. By entering a team in the NYJL, clubs/teams agree that they will abide by these Regulations and the England Netball Code of Conduct and that they are able and willing to fulfill all costs and commitments relating to the League.

vi. All players must have current England Netball membership and be registered with a North Yorkshire club. Membership to England Netball must be paid before they can participate in the NYJL. All players must have declared a North Yorkshire Club as their Primary Club.

vi. Players can only play for one club within the NYJL.

vii. All players in the NY County Junior League must play within their own age group unless the appropriate Age Banding procedures have been followed.

viii. North Yorkshire Netball recommends that individuals (player, coach, umpire) if pregnant should only participate with approval from their doctor.

*The England Netball Personal Accident insurance cover excludes any loss or expense due to pregnancy, childbirth, miscarriage or any consequence thereof. If, for example a member who is pregnant is involved in an accident not related to the pregnancy, subject to the conditions of the policy, the relevant benefits would be payable. However, if any situation (such as hospitalisation) was prolonged as a direct result of pregnancy, pregnancy complications or even early childbirth, then this portion of any claim is not covered.*

### **3. Registration of Squad Members**

i Clubs must register all players to play in the competition. Squad registration sheets for each participating Club must be completed fully for each player and lodged with the appropriate Results Secretary as specified prior to the start of the Competition. A minimum of 7 players and a maximum of 15 players may be registered per team.

ii. Any additions to the squad sheets must be lodged with the appropriate Results Secretary at least 48 hours before the fixture in which the additional player(s) wish to compete.

iii. Registration Sheets must be completed at the start of the Competition in September and again at the beginning of January. In the interest of development, this allows teams to move young players to a higher or lower team. **For Phase 2 this is Friday 10<sup>th</sup> January 2020**

iv. Clubs entering more than one team into the Leagues must nominate on the squad form A / B / C etc teams.

v. Teams may only use players who have been registered on the squad list held by the relevant Results Secretary.

- vi. Where a Club has multiple teams competing in the competitions, players registered in a higher team may not compete for a lower team unless there are special circumstances as in 3(x).
- vii. Players from the lower teams may play for higher teams for no more than eight (8) quarters during the season (September to March). Where this happens, it must be clearly recorded on the result card. If players start a 9th quarter, they are automatically moved into the next highest team and are no longer eligible to play up again or to compete for a lower team. For the NY Junior League, this also applies across both Phases of the NYJL and to players in teams that qualify for the Regional Under-16 and Under-14 Leagues.
- viii. Once a player has been named on a squad sheet and played, she cannot transfer to another Club and compete for that Club in the NYJL during the current season unless approval has been sought from the NYJL via the Lead of the NYJL Subgroup.
- ix. Each team may declare up to twelve (12) players on the result card prior to the start of each match. Any of these players will be eligible to compete during the match.
- x. Movement of players from a higher positioned team to a lower positioned one is not allowed except in exceptional circumstances (e.g. return from serious injury) and with prior approval from the NYJL through the relevant Results Secretary.
- xi. In addition, prior to Phase 2 of the League, any team that has not been promoted to the Regional League can redefine their squads but must submit a new Registration Sheet before the Fixtures begin. Any player who plays for a team that has qualified for the Regional Leagues and has played the equivalent of 2 full games (8 quarters) will not be allowed to play any further games in Phase 2 of the NYJL. **Any such players must be highlighted on the Results Cards.**
- xii. A player may only play for one team on any one day in the NYJL.

#### **4. Structure of the League**

- i. Every team will play every other team in their age group Division on one occasion between September and December. This constitutes Phase 1 of the League. Where possible, Divisions will have an equal number of teams.
- ii. At the end of Phase 1, the top 2 teams in Division 1 in the Under-14 and Under-16 age groups will be offered the opportunity to progress to the Yorkshire Regional League.

iii. At the end of Phase 1, promotions up to Division 1 (and possibly Division 2) of the NYJL at Under-14 and Under-16 may be made from the next lower Divisions to balance the Division numbers. Teams then continue to play from January to March/April in Phase 2 of the competition.

iv. At Under-12, at the end of Phase 1 the top teams from Division 2 may be promoted to Division 1; the bottom teams in Division 1 may be relegated to Division 2. **Any such movement will be agreed based on the best interests of the majority of the young players.** The top teams in Division 1 at the end of Phase 2 will represent the County in the Under-12 Regional Tournament.

v. The number of entries received will determine the number of Divisions in any league and any new entrants to the NYJL will be placed in a Division at the discretion of the NYJL Subgroup and recommendation from Club coaches.

vi. **Points for matches will be awarded as follows:**

5 points for a win.

3 points for a draw.

2 points to losing team if there is less than 5 goals difference between the two scores.

1 point to losing team if goals scored are more than 50% of winning teams score.

A league table will be compiled based on the points awarded. Final placings in the League will be based solely on the total points awarded. Where teams are level on points, the teams will share the placing unless a suitable date for a Play Off can be arranged and only in the case of affecting relegation and/or promotion.

*Goal average and goal difference calculations will not be used to differentiate the final placings. This is in the interests of encouraging participation and enjoyment by as many young players as possible and to avoid huge – and often demoralising – margins in the scores of games.*

At the end of Part 2, the winners of each Division will receive individual Trophies.

**In addition, individual Awards will be made to the Player of the Match for each Division in each age group and based across the two Phases of the competition.**

## **5. Fixture Arrangements**

i All fixtures will be played on the dates and times scheduled and at the venue as stipulated on the fixture schedule apart from in exceptional circumstances and only with permission from the NYJL Subgroup.

ii. The fee per fixture will be calculated from the cost of the running of the league. Each team will be issued with an invoice for the whole playing season, this is

payable either as a whole or in 2 installments as directed and agreed with the County Treasurer. Any bank charges incurred by the County arising from any default by any Club/team, will be passed on to that Club/team and these charges must be paid immediately. The cost per team per match is £25.

ii. No team may rearrange, postpone or cancel any fixture.

iii. Teams MUST leave the court at the times indicated for the next round of matches to be played even if the game has not finished. Coaches and officials of the first matches in the afternoons are responsible for setting up the court. Coaches and officials of the last match in the afternoons are responsible for putting the equipment away.

iv Any team, which fails to arrive for the start time of the fixture, will forfeit the match and 5 points will be awarded to the non-offending team. The defaulting team will be liable to reimburse the hire cost of the court to the opposing team.

v If for any reason a fixture cannot be played (e.g. venue problem) both teams must inform the appropriate Results Secretary immediately.

vi. In the event that a match has to be abandoned for any reason (e.g. serious injury), the result of that match will be determined by the NYJL sub group having regard for the score at the time and taking into consideration any recommendations from the umpires officiating the fixture. The decision of the NYJL Group is final.

## **6. Match Regulations**

i All games will be played in accordance with the latest current rules of England Netball.

ii. The duration of the matches will be the same for all age groups- 4 x 10 mins quarters with 2 mins intervals at quarter and three quarters time and 3 mins at half time. This should allow sufficient time for a warmup etc. Matches will be allocated a time slot of 1 hour. Umpires should ensure that matches are time managed well to fit into the time slot.

iii. Both teams will provide a suitable match ball and present both balls to the umpires. The umpires will decide which ball is to be used.

iv. If there is a clash of playing colours, the first named team for the fixture will change colours.
