- Ensures academies are of sufficient standard that actively promotes and raises the profile of NY in Region
- Ensures there is an increased number of better quality athletes progressing into the Regional Performance Programmes (Leeds Rhinos) from the pathway
- Manage and deliver the NY county & satellite (& Development where desired) academies on behalf of England Netball, delivering the required number of sessions each year per academy.
- Builds a sustainable system that provides athletes able to sustain a high level of consistent performance
- Continually supplies a pool of competitive & talented players with a winning culture
- Recruits, develops and retains qualified and experienced Level 2 coaches to deliver the training programmes set by England Netball, providing athletes with the support and skill set they need to progress to the next level of the pathway, the Regional Academy (Leeds Rhinos).
- Submits reports regarding performance and coaching to the North Yorkshire County Management Board (NYCMB)
- Be represented at all CMB meetings
- Formulates an annual budget relating to the anticipated performance and coaching activities for the ensuing year and submits to the CMB for its consideration
- Agrees with CMB its annual work plan
- Refer to the NYCMB for support and/or guidance regarding any matters which cause concern or which the Performance Working Group is unable to resolve and/or deal with

Coaching Sub Group

- Fosters the growth and raises the standard of coaches in the county
- Organises opportunities for new and upcoming coaches
- Develops and maintains a database of coaches in the county

Membership

The membership of the working group shall consist of the following:

- the lead of the Performance working group, who is elected annually at the North Yorkshire Netball AGM
- additional volunteers who have the ability and desire to develop and enhance performance and coaching within the county

Meetings

The group will hold one planning meeting annually and any subsequent meetings deemed necessary to enable the group to function and provide the desired levels of performance. The group may form smaller working groups to enable more effective planning and organisation.

Brief notes of each meeting should be taken and circulated to the Chair of the CMB.
