

NORTH YORKSHIRE COUNTY NETBALL ASSOCIATION

Terms of Reference

Participation and Competition Working Group

Purpose of the group

- Organise and develop all NYCNA competition including schools' competition
- Develop suitable competition to enable North Yorkshire representative teams to progress to regional/national competition
- Organise county round of National Schools' competition
- Liaise with and provide guidance to North Yorkshire district leagues
- Formulates an annual budget relating to the anticipated participation and competition activities for the ensuing year and submits to the CMB for its consideration
- Be represented at all CMB meetings
- Submits reports regarding participation and competition to the North Yorkshire County Management Board (NYCMB)
- Agrees with CMB its annual work plan
- Refer to the NYCMB for support and/or guidance regarding any matters which cause concern or which the Participation and Competition Working Group is unable to resolve and/or deal with

Membership

The membership of the working group shall consist of the following:

- the lead of the Participation and Competition working group, who is elected annually at the North Yorkshire Netball AGM
- additional volunteers who have the ability and desire to develop and enhance participation and competition within the county

Meetings

The group will hold one planning meeting annually and any subsequent meetings deemed necessary to enable the group to function and provide the desired levels of participation and competition. The group may form smaller working groups to enable more effective planning and organisation.

Brief notes of each meeting should be taken and circulated to the Chair of the CMB
